

While days are passing by, the members of Alpine Club Kamnik and Mountain Rescue Team Kamnik are still having a difficult time facing the fact that our friends, Aleš Holc and Peter Mežnar, are not coming back from their last expedition to the Chinese Shaksgam valley. Their lives were mostly devoted to the mountains and nature, exploring technically challenging mountain faces, nursing friendly bonds, unselfish help to the others and passing knowledge to the younger generation. They have affected us friends in Kamnik's Alpine Club and Mountain Rescue Team, the people who shared the rope with and everyone else connected to them.

The members of Kamnik's Alpine Club decided to help raising funds for their families and for covering the expenses of the search rescue. For that reason we opened a special purpose bank account, where you can help with your donation.

Account holder: Planinsko društvo Kamnik

Account holder's address: Šutna 42, 1240 Kamnik

IBAN: SI56 0231 1026 1048 689

(in case you need a donation receipt, please write at ao.kamnik@gmail.com)

The members of Alpine Club Kamnik are appreciated for keeping memories of Ales and Peter alive. Thank you for caring!
